To Our Neighbors of Lindy's Lake:—

The Board of Governors has given me the privilege to welcome you to this 1958 season. We know the meaning of renewing old friendships and it is our sincerest wish that many new ones will be kindled.

Your committees have given considerable thought and time preparing a program that all might enjoy. May the hours you spend be relaxing and looked back upon with absolute pleasure.

It is with pride and appreciation that we call your attention to our advertisers, those local merchants whose support has made this Directory possible. Please do not overlook their kindness toward our little community. Your patronage can show them our deep gratitude.

MOVIE SCHEDULE

Under chairmanship of Mr. Camilleo Gully, movies are shown every Wednesday night at the Clubhouse. The program for the entire season is as follows:

- July 2 — "Hangman's Knot" (Color) with Randolph Scott and Donna Reed.
When a killer with a rope ruled Nevada, this great gunfighter took the law in his hands and helped a State to break loose from the lynch law noose.
- July 9 — "Wild One" with Marlon Brando and Mary Murphy.
Hot feelings hit terrifying heights when jazzed-up hoods try to take over a town.. Motorcycle maniacs nearly wreck an entire city with their orgies.
- July 16 — "Black Night" with Alan Ladd and Patricia Medina. (Color)
King Arthur's knights ride again in this thrill packed adventure. Thousands storm castle battlements, trials by combat, and martyrs lie beneath the sacrificial knife.
- July 23 — "Rock Around the Clock" with Alan Freed and Bill Haley's Comets.
Rock and Roll finally hits the screen in this smash story of how it all began and became a sensation. Johnny Johnston, the Platters, Tony Martinez and his band and many more are seen in 10 big numbers.
- July 30 — "Count Three and Pray" (Color) with Van Heflin and Joanne Woodward.
A parson attempting to build a church has to fight sin, corruption and an entire town single-handed. With a hymn on his lips and a prayer in each fist he brought Faith to a mob and a church to a wilderness.
- Aug. 6 — "Down 3 Dark Streets" with Broderick Crawford and Ruth Roman.
This exceptional drama graphically depicts the workings of the FBI in solving their cases. When a special agent is killed, his teammate takes over the case to uncover the unknown murderer.
- Aug. 13 — "Fort Ti" (Color) with George Montgomery and Joan Vohs.
Rogers Rangers ride and fight at the savage siege of Fort Ticonderoga.
- Aug. 20 — "It Came From Beneath The Sea" with Kenneth Tobey and Faith Domergue.
Primordial monster from the ageless depths engulfs the screen in a tidal wave of terror as it attacks the world. It drags down ocean going boats, smashes the Golden Gate bridge, topples skyscrapers, etc.
- Aug. 27 — "Caine Mutiny" (Color) with Humphrey Bogart, Jose Ferrer, Van Johnson and Fred Mac Murray.
Engulfing the screen with tidal-wave excitement, the film's scope is as big as the ocean on whose churning mass much of its action takes place.
