MOVIE SCHEDULE

Under chairmanship of Henry Muratori, movies are shown every Wednesday night at the Clubhouse. The program for the entire season is as follows:

- July 4 — 30 FT. BRIDE OF CANDY ROCK—Lou Costello, Dorothy Provine. Small town rubbish collector invents a wonder machine that moves people backward and forward in time, turns the inventor into a space explorer and his girl friend into a 30 ft. giant.
- July 11 — MICKEY (in color)—Lois Butler, Bill Goodwin. Meet Lois Butler with the sweetest personality and sweetest voice. She'll set your heart aglow with songs and laughter.
- July 18 — BLACKJACK KETCHUM, DESPERADO—Howard Duff, Victor Jory. Story of the most daring gunslinger of them all. They sent six professional gunmen to corner the greatest desperado of all time.
- July 25 — FLYING FONTAINES (in color)—Michael Callan, Evy Norlund. All the color, spectacle and soaring excitement of the circus are captured in this death-defying drama of clowns, animal acts and aerialists perform breath taking stunts before your eyes.
- August 1 — BEAST WITH FIVE FINGERS—Peter Lorre, Robert Alda. Shocker supreme. It lurks without a body. Kills without a sound. It is the terror that the tomb could not hold. Heart pounding suspense in the weirdest mystery ever conceived by man.
- August 8 — HOPPITY GOES TO TOWN (in color)—Disney films. Honey Bee and all her friends in the bug kingdom have trouble finding a peaceful and quiet home as the humans continue to harrass them. Hoppity comes to their rescue and finds them a penthouse garden.
- August 15 — APACHE AMBUSH—Bill Williams, Richard Jalckel. Apache fury rides the trail to Abilene in the wildest Indian raids of the wild frontier.
- August 22 — BELL, BOOK AND CANDLE (in color)—James Stewart, Kim Novack, Jack Lemmon, Ernie Kovacs. Gay Broadway hit comedy has been transformed into a brilliant success. A book publisher and his writer are roused out of normalcy by a beautiful girl with supernatural powers and her bongo-playing brother.
- August 29 — CHILDREN OF THE WILD—Silver Wolf, the dog and Baldy, the Eagle. Outdoor drama of a different style. The story deals with a dog who is the constant companion of a baby and an eagle that is trained to kidnap. Among the features are a thrilling fire and the kidnaping of a child by an eagle which carries it away to its nest.
